

PROGRAM - SATURDAY 6 OCTOBER

	Hall C	Hall A	Hall B	Room E1	Room E2
•0830	0830-0845 Opening Ceremony Chair: A/Prof. David M. Scott				
•0845	0845-0945 Kester Brown Lecture Leading cultural change <i>Air Vice-Marshal Dr Tracy Smart AM</i>				
•0945	0945-0950 Exhibition Opening <i>A/Prof. David M. Scott and Mr Greg Luck</i>				
•0950	Morning Tea Served in the Exhibition Hall 0950-1030				
•1030	1030-1115 Plenary Session 1 Chair: Mr David Kibblewhite Why is safety so hard? <i>Prof. Joyce Wahr</i>				
•1115	1115-1200 Pain in the what? Contemporary concepts in pain science <i>Prof. Lorimer Moseley</i>				
•1200	Lunch Served in the Exhibition Hall 1200-1315				
•1315	1315-1415 Opioid prescribing and pain management Duped, dated, disabled or dishonest. Opioid prescribing in Australia <i>Dr Tim Semple</i>	1315-1515 Controversies in clotting and blood management Novel anticoagulants – what anaesthetists should know <i>Prof. Donat Spahn</i> Coagulation management in major trauma <i>Dr James Winearls</i> Should all patients receive prophylactic tranexamic acid? <i>Dr Thomas Painter</i> Cell salvage in modern anaesthesia <i>Dr Michelle Roets</i>	1315-1515 Regional Anaesthesia SIG What's new in regional anaesthesia – an update on current developments. <i>Dr William Harrop-Griffiths</i> Block rooms – can they work in Australia? <i>Dr Brigid Brown</i> Wound catheter infusions – plausible therapy or wishful thinking? <i>Dr Kelly Byrne</i>	1315-1515 History SIG The Evolution & Development of Anaesthesia & Intensive Care in South Australia Dr Kent and the first anaesthetics in SA in September 1847 <i>Dr Tony Swain</i> The Evolution and Development of Intensive Care in SA <i>Dr Fred Gilligan</i>	1315-1515 Current Session Pathways to innovation: how clinicians can make a difference. <i>Dr Jan Akervall</i> Drugs and Bugs - Emerging therapies from the field of toxinology <i>Prof Glenn King</i> Proton Therapy: a Positive Change <i>Dr Michael Penniment</i>
•1415	1415-1515 Old drugs and new tricks <i>Prof. Pamela Macintyre</i>				
•1515	Afternoon Tea Served in the Exhibition Hall 1515-1545				
•1530					
•1545	1545-1630 Women and Children – Updates in Anaesthetic Practice Obstetric emergencies for anaesthetists <i>Dr Alicia Dennis</i>	1545-1715 The Addicted Patient Pathophysiology of addiction disorders <i>Dr Philip Crowley</i> The addicted patient with acute pain – why are stimulant users different? <i>Dr Chistine Huxtable</i> Dealing the Trump card in the US opioid crisis <i>Prof. Mark Hutchinson</i>	1545-1715 Pre to Post – Patient Care in the Perioperative Period Monitoring intra-operative analgesia – can we make a difference to patient care? <i>Professor Guy Ludbrook</i> Perioperative nutrition <i>Dr Yasmine Ali Abdelhamid</i> Residual neuromuscular block - incidence, consequences and prevention <i>Prof. Lars Eriksson</i>	1545-1715 Neuroanaesthesia SIG The Pituitary in a Nutshell: Medical, Surgical and Anaesthetic Perspectives Endocrine considerations before, during and after pituitary surgery <i>Dr Sunita De Sousa</i> Haemorrhage control in endoscopic skull base surgery <i>Dr Alistair Jukes</i> How to survive pituitary surgery as an anaesthetist <i>Dr Phillip Quinn</i>	1545-1715 ASA Best Poster Chair: Dr Guy Christie-Taylor
•1630	1630-1715 Journal watch 2018 – what's new in paediatric anaesthesia <i>Dr Catherine Olweny</i>				
•1715					

Plenary Refresher Stream Concurrent Stream Special Interest Group Workshop Small Group Discussion

PROGRAM - Saturday 6 October

	Room E3	Skyway 1	Riverbank 1	Riverbank 2	Riverbank 3	Riverbank 4
•1200	Lunch Served in the Exhibition Hall 1200-1315					
•1315	1315-1515 W 1 ECHO Simulator • FCU TTE • FCU TOE • Advanced TTE • Advanced TOE	1315-1445 SGD 1 CTVP – presenting ECHO cases	1315-1415 SGD 2 What concentration or volume to use for your peripheral nerve block? <i>Dr Jason Koerber</i>	1315-1515 W 2 ECHO 3D Workshop <i>A/Prof. David Canty</i>	1315-1415 Masterclass 1 How to get the job where and when you want <i>Drs Mark Markou & Andrew Lavender (Trainee Session)</i>	1315-1515 W 3 Anaphylaxis 1 (ANZCA ER) <i>Dr Nagesh Nanjappa</i>
•1415		1415-1515 SGD 4 Planning for retirement – practicalities for anaesthetists <i>Dr Richard Grutzner Dr Patrick Hughes Dr Mark MacLennan</i>				
1445						
•1515	Afternoon Tea Served in the Exhibition Hall 1515-1545					
•1530						
•1545	1530-1730 W 4 ECHO Simulator • FCU TTE • FCU TOE • Advanced TTE • Advanced TOE			1530-1730 W 6 ECHO 3D Workshop <i>A/Prof. David Canty</i>		1545-1715 W 7 Anaphylaxis 2 (ANZCA ER) <i>Dr Nagesh Nanjappa</i>
•1630				1545-1645 PLEASE NOTE! Masterclass 2 has move to the Draeger booth (5 & 6) Mechanical ventilation – making sense of the machine <i>Dr Simon Hockley & Prof. Sheila Myatra</i>		
1700						
•1715						

Masterclass

PROGRAM - Sunday 7 October

	Hall C	Hall A	Hall B	Room E1	Room E2
•0845	0845-0945 Updates in Regional Anaesthesia High volume regional anaesthesia – experience from “Hospital for Special Surgery”, New York City <i>Dr Enrique Goytizolo</i>	0845-1045 Persistent Pain and the Brain Talking to patients about prescription drugs <i>Dr Timothy Semple</i> Talking pain – the transformative and destructive nature of metaphors <i>Dr David Butler</i> 5 pain concepts that can change your life (and theirs) <i>Prof. Lorimer Moseley</i>	0845-1045 New Developments in Burns Management The science and the art of burns surgery <i>Prof. John Greenwood</i> Burns and the anaesthetist: airway, analgesia and adrenaline <i>Dr Jonathan Taylor</i> Controversies in ICU management of burns <i>Dr David Evans</i>	0845-1045 ODEC Strategic Workforce Planning in our Region Speakers: <i>Dr Rob McDougall</i> <i>Dr Justin Burke</i> <i>Dr Jocelyn Christopher (President PSA/Fiji)</i> <i>Dr Liz Inaido (Fiji)</i>	0845-1045 Trainee Session Public versus private practice <i>Dr Ammar Ali Beck</i> Financial planning <i>Mr Jon Silcock</i> Transitioning to consultancy <i>Dr Scott Ma</i> What healthcare will look like in the future <i>Prof. Guy Ludbrook</i>
•0945	0945-1045 An update on interfascial plane blocks: anatomical concepts, mechanisms, indications and techniques. <i>A/Prof. Michael Barrington</i>				
•1045	Morning Tea Served in the Exhibition Hall 1045-1115				
•1115	1115-1200 Plenary Session 2 Chair: Dr Rod Mitchell Longterm brain dysfunction after anaesthesia and surgery – what we know and what we want to know <i>Prof. Lars Eriksson</i>		Lunch Served in the Exhibition Hall 1245-1400		
•1200	1200-1245 Regional anaesthesia is good for you - or is it? <i>Dr William Harrop-Griffiths</i>				
•1245	1245-1400 Trainee Lunch – Gilbert Suite Trainee Poster Presentations This is what you should consider when planning to do clinical research <i>Prof. Lars Eriksson</i>		1300-1400 Edu.1 Sponsored by Seqirus	1300-1400 Edu.2 Sponsored by MSD New developments in anaesthesia for laparoscopic surgery <i>Dr Natalie Smith</i>	1245-1445 RAG Lunch Riverbank 6
•1400	1400-1530 Plenary Session 3 Chair: Dr Guy Christie-Taylor Gilbert Troup Prize Session				
•1445	Editor's Plenary Why does the ASA (still) have a journal? <i>A/Prof. John Loadman</i>				
•1530	Afternoon Tea Served in the Exhibition Hall 1530-1600				
•1600	1600-1645 Heads and Tales Traumatic brain injury – updates for perioperative management <i>Dr Andrew Wing</i>	1600-1730 Cardiac Disease – What Do I Need to Know? ECMO for non-cardiac surgery – a guide for general anaesthetists <i>Dr Sara Allen</i> Adult congenital heart disease – should I anaesthetise this patient? <i>Dr Justiaan Swanevelder</i> Diastolic heart failure – does it matter? <i>Dr Thomas Painter</i>	1600-1730 Caring for the Changing Obstetric Population Measuring BP in obese parturients – can we do better? <i>A/Prof. Victoria Eley</i> ROTEM for obstetrics and how to introduce it in your department <i>Dr Erin Chamberlen</i> Caring for the parturient with cardiac disease <i>Dr Jane Brown</i>	1600-1730 Communications SIG Informed Consent: Illusion or Reality? Q&A Panel Session Chair: Scott Simmons Panel: <i>Dr David Elliott</i> <i>Dr Allan Cyna</i> <i>Dr Suyin GM Tan</i> <i>Prof. Judy McKimm</i>	1600-1730 Trainee Session Optimising exam performance <i>Dr Anthony Coorey</i> Part 2 Boot Camp Lite <i>Dr Vida Viliunas</i>
•1730	1645-1730 TIVA mythbusters <i>Prof. Michael Irwin</i>

PROGRAM - Sunday 7 October

	Room E3	Skyway 2	Riverbank 1	Riverbank 2	Riverbank 3	Riverbank 4
•0845			0845-0945 SGD 7 Returning to calm: manage anxiety and phobias using simple and fast hypnotic techniques <i>Dr Michael Goldblatt</i>	0845-0945 SGD 8 The environmental impact of anaesthesia <i>Dr Steven Gaff</i>	0845-1045 W 8 Kids save lives – resuscitation skills for children and delegates' partners <i>RN Romy Ottens</i>	0845-0945 SGD 9 Bullying in and out of the operating theatre <i>Dr Tim Porter</i>
•0945	ECHO Simulator		0945-1045 SGD 10 Collaborative decision making and the role of advance care planning for high-risk surgical patients <i>Dr Debra Leung</i>	0945-1045 SGD 11 Optimal management of caesarean section for placenta accreta: planned and controlled – or not!! <i>Dr Kristen Llewellyn</i> <i>Dr Steven Scroggs</i>		0945-1045 SGD 12 Apnoeic oxygenation in your practice <i>Prof. Sheila Myatra</i>
•1045			Morning Tea Served in the Exhibition Hall 1045-1115			
•1115	ECHO Simulator	1115-1215 SGD 13 Regional anaesthesia for eye surgery – clinical update <i>Dr James Dowling</i> <i>Dr Pat Moran</i>	1115-1245 Masterclass 3 Point-of-care coagulation testing in obstetric haemorrhage <i>Dr Erin Chamberlen</i>	1115-1245 W 9 Mastering medical life with mindful practice <i>Dr Andrew Czuchwicki</i>	1115-1245 W 10 Kids save lives – resuscitation skills for children and delegates' partners <i>RN Romy Ottens</i>	1115-1245 W 11 Hypnosis for trainees <i>Dr Allan Cyna</i> (Trainee workshop)
•1215						
•1245			Lunch Served in the Exhibition Hall 1245-1400			
•1400	ECHO Simulator		1400-1530 Masterclass 4 Interpretation of ROTEM: Case-based Discussions <i>Prof. Donat R.Spahn</i> <i>Dr James Winearls</i>	1400-1530 W 12 Major haemorrhage 1 (ANZCA ER) <i>Dr Paul Richards</i>	1400-1530 W 13 Upper limb blocks <i>Dr David McLeod</i> <i>Dr Jim London</i> <i>Dr Alastair Browne</i>	1400-1500 SGD 14 Overseas Aid – options and opportunities, and how do I best prepare myself to go? <i>Dr Chris Bowden</i> <i>Dr Justin Burke</i>
•1530			Afternoon Tea Served in the Exhibition Hall 1530-1600			
•1600	ECHO Simulator		1600-1730 Masterclass 5 Opioid-free anaesthesia and opioid-sparing analgesia – lessons learnt from bariatric practice <i>Dr Adrian Sultana</i>	1600-1730 W 14 Major haemorrhage 2 (ANZCA ER) <i>Dr Paul Richards</i>	1600-1730 W 15 Lower limb blocks <i>Dr David McLeod</i> <i>Dr Jim London</i> <i>Dr Alastair Browne</i>	1600-1730 Masterclass 6 Challenging behaviour in children <i>Dr Rebecca Munk</i> <i>Dr Rowan Ousley</i>
•1730						

Masterclass

PROGRAM - Monday 8 October

	Hall C	Hall A	Hall B	Room E1
•0830	0830-0915 Refresher Sessions Updates in upper airway management: should videolaryngoscopes be our first line device? <i>Prof. Ellen O'Sullivan</i>	0830-1000 From research to better health outcomes – South Australian Health and Medical Research Institute Inflammation as a therapeutic target in atherosclerosis <i>Dr Peter Psaltis</i>	0830-1000 Sleep, Sleepiness and Fatigue Sleep and disease <i>Dr Sara Allen</i> Sleep apnoea – new directions <i>Dr Ching Li Chai-Coetzer</i>	0830-1000 Day Care SIG Safety and Quality in Day Care Surgery: Ensuring an adequate standard of patient care: Pitfalls with patient and procedure selection <i>Dr Glenda Rudkin</i>
•0915	0915-1000 Striving towards ZERO for deaths directly attributable to anaesthesia <i>A/Prof. Larry McNicol</i>	The intestinal microbiome: an important mediator of chronic inflammatory diseases <i>A/Prof. Geraint Rogers</i> Aboriginal Health – from the margins to the Centre <i>Prof. Alex Brown</i>	Welcome to Daylight Savings Time: Just a Tip of the Body Clock Iceberg Controlling Our 24-hour Lives <i>Prof. Leon Lack</i>	Regulation of day procedure clinics <i>Dr Phillipa Hore</i> Medicolegal discussion <i>Ms Amy Davis - Barry Nilsson Lawyers</i> Day care outcomes study progress report <i>Dr Ken Sleeman</i>
•1000	Morning Tea Served in the Exhibition Hall 1000-1030			
•1030	1030-1130 Geoffrey Kaye Lecture Chair: Dr Peter Seal Hamel, Monash and One Hundred Years – What can we learn? <i>A/Prof. David M. Scott</i>			
	1130-1215 Plenary Session 4 Chair: Dr Peter Seal How low can you go? Perioperative anaemia management <i>Prof. Donat R. Spahn</i>			
•1215	Lunch Served in the Exhibition Hall 1215-1330			
		1230-1330 Edu.3 Bongiorno National Network: Maximise your earnings while in practice – what you need to get it right - <i>Mr Adam McCann & Ms Ashleigh Gehlig</i>		1230-1330 Edu. 4 MicroEQUITIES Value investing, business partnerships and the myth of market timing: <i>Mr Carlos Gil, Chief Investment Officer</i>
•1330	1330-1430 Refresher Sessions Septic Shock, Current Concepts and Management <i>Dr Stephen Lam</i>	1330-1430 Refresher Session Looking after the Lungs Updates in thoracic anaesthesia – what's changed since you were a registrar? <i>Dr David Cardone</i>	1330-1530 ASA AGM Chair: <i>A/Prof. David M. Scott</i>	
	1430-1530 Perioperative ultrasound assessment – seeing is believing <i>A/Prof. David Canty</i>	1430-1530 VCV 500 x 10 – time to rethink the default settings? <i>Dr Simon Hockley</i>		
•1530	Afternoon Tea Served in the Exhibition Hall 1530-1600			
•1600	1600-1730 Understanding Risk in Anaesthesia Hazards in the operating room <i>Prof. Joyce Wahr</i> Checklists – should I bother? <i>Prof. Simon Mitchell</i> Communicating clinical risk – what's in a word? <i>Dr Scott Simmons</i>	1600-1730 ACCUTE SIG Fibrinogen in trauma: FEISTY update <i>Dr James Winearls</i> Tranexamic acid in trauma: PATCH update <i>Dr Stefan Mazur</i> PHARM: Updates in training <i>Dr Rod Mitchell</i>	1600-1730 Acute Pain SIG Current Controversies in Acute Pain Management Slow release-opioids – when and when not? <i>Dr Kim Hattingh</i> Tramadol in kids – do or don't? <i>Dr Nicole Wylie</i> Medicinal cannabis – medical miracle or annoying weed? <i>Dr Meredith Craigie</i>	1600-1730 ASA Session - MBS Review Update

Bring some Hush into your workplace

Hush transforms the culture of health care by harnessing the power of the Arts to educate, inspire and improve experiences for patients, families and health professionals.

Hush music

Carefully created from some of Australia's foremost musicians and composers, Hush music transforms health settings for a better experience for staff, patients and their families.

Illustrations by Nathaniel Eckstrom

Hush plays

The Hush Foundation's three theatrical plays, What matters, Do you know me? and Hear me tackle the biggest issues in the culture of health care today - bullying, communication and better patient outcomes.

Hush Gathering of Kindness

The Gathering of Kindness is a series of events presented by Hush that acknowledges and responds to the direct connection between staff behaviour, staff wellbeing and patient safety.

Visit www.hush.org.au for more information and ways to bring some Hush to your organisation.

Contact Hush E. info@hush.org.au | T. 0425886615

RAW 2018

Regional Anaesthesia Workshop
FRIDAY 5 OCTOBER 2018

Ray Last Anatomy Laboratories
University of Adelaide Medical
School Frome Road, Adelaide 5000

RAW 2018 is set to be our finest workshop yet! We are teaming up with the Australian Society of Anaesthetists National Scientific Congress and the RAW 2018 faculty are excited to announce that we will be joined by two world-renowned Regional Anaesthesia experts:

ASSOCIATE PROFESSOR MICHAEL BARRINGTON

St Vincent's Hospital Melbourne, University of Melbourne
Associate Editor Regional Anaesthesia and Pain Medicine

DR ENRIQUE GOYTIZOLO MD

Attending Anesthesiologist,
Hospital for Special Surgery, New York, USA
Clinical Assistant Professor, Weill Cornell Medical
College, New York, USA

WORKSHOP INCLUDES:

- Unique access to fresh-thawed, gel-infused whole cadavers for real-time ultrasound-guided regional anaesthesia across a full range of upper limb, lower limb and truncal blocks.
- Customised anatomical specimens for reference and understanding of anatomy.
- Live model scanning for sono-anatomy reference.
- Expert guidance and practical clinical advice from our faculty of Regional Anaesthetists.
- Morning tea, coffee, tea, lunch and post RAW refreshment in the Exhibition area.
- Strictly limited numbers to maximise "hands-on" time.

REGISTRATION: www.asa2018.com.au COST: \$1,650

For further information contact Anna D'Angelo: 08 7074 1293 | Anna.D'angelo2@sa.gov.au
